HNB has partnered with Frontier Advisory to provide members of its exclusive private banking arm, Club HNB with elite tax and regulatory consultation services. Through the partnership, Club, HNB members will now have privileged access to a gamut of advisory services designed to ensure value, convenience and compliance for clients both in their personal and professional tax obligations. While taxation is an essential obligation, it can often be a tedious and complex process. For high net-worth clients, ensuring complete compliance and elimination of human error can be particularly challenging.

“Through our partnership with Frontier Advisory, we are now able to offer Club HNB members a deeply personalized, affordable and comprehensive solution to rationalizing their tax burden in a holistic manner,” stated Sanjay Wijemanne, DGM – Retail and SME Banking, HNB.

Frontier Advisory ranks among Sri Lanka’s most respected business advisory experts, providing clients with a diversity of services aimed at improving businesses through a broad range of value added consulting services.

HNB leads the Business Today Top 10 rankings. It has also claimed seven awards at the Best Corporate Citizen Sustainability Awards 2019.
