Dialog Axiata won the Gold Award for Best Digital Payments Innovation at the Sri Lanka FinTech Awards 2026, recognizing Dialog Pay's contribution to strengthening Sri Lanka's digital payments ecosystem through secure, convenient, and accessible financial transactions. Dialog Pay integrates everyday financial services through the MyDialog platform and dedicated Dialog Pay App, enabling customers to make QR payments, settle bills, transfer money, link bank accounts, and access GovPay services and selected financial solutions.

The platform has expanded its QR payment acceptance network to over 100,000 outlets islandwide, facilitating seamless transactions while supporting merchants in embracing digital payments.

Supun Weerasinghe, Group Chief Executive, Dialog Axiata, stated, "As Sri Lanka's digital economy continues to evolve, trusted and accessible digital payment solutions will play an increasingly important role in connecting people, businesses and services. This recognition reflects Dialog's commitment to building digital platforms that simplify everyday life while supporting broader economic participation and growth."

The award reinforces Dialog Axiata's commitment to advancing digital innovation and financial accessibility. By expanding payment acceptance and simplifying everyday transactions, Dialog Pay continues to empower consumers and businesses, contributing to Sri Lanka's transition towards a more connected, inclusive, and digitally enabled economy.
