Lanka Bell C/C

Lanka Bell launched a pre-paid card which customers can recharge via the Internet using their Master or Visa credit cards.

Suren Goonewardene, Managing Director, Lanka Bell said the Credit Card Pre-Paid Recharge is a very convenient alternative method of pre-paid recharge and is mainly targeted at urban customers who have access to the Internet. “It is a common practice in most foreign countries and we’re very happy to introduce this facility for the first time in Sri Lanka”.

Customers can visit the Lanka Bell web site to access this service.
