

STUDIO 3000 Wedding Gallery Opens In Mount Lavinia

Dinuka and Dulani Fonseka of ‘Studio 3000′ reached another milestone of their journey in professional wedding photography. Their new studio under the brand

name of ‘Studio 3000′ was opened near Mount Lavinia Hotel making it more convenient for clients to approach them. The new studio caters to all customer needs whilst giving them the opportunity to closely experience different types of photography that the studio undertakes. Three websites were launched in line with the opening of Studio 3000 Wedding Gallery that provide information on photography, wedding cars and the third on beauty artists, florists and cake makers.
