
Vallibel Finance expands Branch Network across Sri Lanka

Vallibel Finance has strengthened its island-wide presence with the opening of new branches in Karapitiya and Tissamaharama, following the recent inauguration of its Dehiattakandiya branch. The expansion reinforces the company’s commitment to financial inclusion, regional economic development, and improved access to financial services.

The three branches were ceremonially inaugurated by Jayantha Rangamuwa, Managing Director, Vallibel Finance, in the presence of Corporate Management, employees, customers, and well-wishers. Addressing the gatherings, Rangamuwa emphasized the company’s commitment to delivering accessible, professional, and customer-focused financial services while supporting regional economic activities, including agriculture, entrepreneurship, and local business development.

The new branches offer comprehensive financial solutions, including leasing, fixed deposits, savings accounts, gold loans, and Auto Draft facilities. Supported by modern technology and customer-centric service standards, Vallibel Finance continues to enhance convenience and accessibility for individuals and businesses.The expansion follows significant financial milestones, with Vallibel Finance surpassing 200 billion rupees in assets within 19 years of operations. In

December 2024, the company became
Sri Lanka’s fastest finance company to exceed 100 billion rupees in assets, achieving the milestone within 17 years.

Through continued network expansion and innovation, Vallibel Finance remains committed to supporting communities, strengthening customer confidence, and contributing to sustainable economic growth nationwide.
