

SLT-MOBITEL partners with the Rush Lanka Group

Imantha Wijekoon, Chief Business Officer – Consumer Business, SLT and Zaid Ariff, Director of Construction, Rush Lanka Group, are exchanging the signed agreement. Representing the Rush Lanka Group are I.M. Irshad, Procurement Manager; Rizadh Ahamed, General Manager-Construction; and R.M. Irfan, General Manager.

Representing SLT are Sugath R. De Silva, General Manager, Consumer Business Support; Kelum Priyantha, Senior Manager, Multitenant Business Unit; and Kasuni Dilhara, Assistant Manager, Emerging Business.

SLT-MOBITEL has entered into a strategic partnership with Rush Lanka Group to provide SLT-MOBITEL Fibre connectivity solutions to their portfolio of luxury apartment developments in Colombo and the suburbs, enhancing the digital experience of all residents.

The agreement was signed between Imantha Wijekoon, Chief Business Officer of Consumer Business at SLT, and Zaid Ariff, Director of Construction at the Rush Group headquarters. Representatives from both companies also attended the ceremony.

Under the partnership, SLT-MOBITEL will serve as the digital service provider for five Rush Lanka developments, including Street Rush Residencies and Rush Court 4 in Mt. Lavinia, Rush Tower 2, Rush Metropolis in Dehiwala, and Rush Court 5 in Colombo 14. The collaboration ensures residents enjoy superior fiber connectivity speeds, enabling seamless digital experiences in modern smart homes. The partnership with the Rush Lanka Group aligns with SLT-MOBITEL’s commitment to offer ultra-fast, reliable connectivity solutions to residential developments. Delivering fiber connectivity to luxury apartments, SLT-MOBITEL ensures residents have access to world-class digital services that complement the living experience promised by Rush Lanka Group.

Powered by advanced fiber technology, the SLT-MOBITEL network will provide residences with seamless performance across digital activities. The SLT-MOBITEL Fibre backbone ensures lag-free experiences whether tenants are gaming online, attending virtual classes, working remotely, or streaming high-definition entertainment. SLT-MOBITEL Fibre will transform the lifestyles of all apartment users, bringing greater convenience and superior quality of life.
