

Arista Opens A New Showroom

Posted on

A new Arista showroom was opened at Havelock Road in grand style. The children present enjoyed the abundance of activities prepared for them including face painting and games, while their parents grasped the extensive array of products Arista has to offer.

When customers walk into the Arista showroom, they are instantly transported into the magical world of toddlers and children, thereby receiving an ethereal shopping experience. Through this new venture, both parents and those anticipating the birth of their child will find that Arista caters to all their needs. In addition to the expansive range of stylish, high quality, branded infants and children's clothing and accessories available at this premier kids boutique, Arista boasts of the introduction of a new collection of infant products including strollers and car seats.

An assortment of children's toys is available at Arista, which include popular brands such as Hot Wheels, Vtec and Barbie. Arista is undoubtedly the embodiment of a 'one stop shop, which meets all your kids needs'.

After a wholesome but tiring day of shopping, customers can unwind at the Il Gelato

outlet adjoining Arista. Here they can relax and relish the irresistible Italian Cottage Ice Cream Il Gelato has to offer.

The central location on Havelock road and the ample parking available ensures that Arista is a convenient and favourable destination for customers. The complete shopping experience offered guarantees that a customer's time in the store is an absolute delight; one which leaves them completely satisfied.
