Bank of Ceylon has relocated its counter at the Arrival Lounge of Bandaranaike International Airport, enhancing its visibility and efficiency.

The counter is up to the international standards of an airport currency exchange counter and is equipped with all the necessary amenities and state-of-the-art technology to offer a convenient, transparent and quick service to all foreign and local passengers. BOC shows unwavering commitment to best-of-class customer service at the country's gateway and is confident that the counter will meet the needs of all passengers.

Jayashantha, DGM (International, Treasury & Investment), said that the staff at all counters at the airport is dedicated to offering the friendliest and efficient service.
