

Blue Ocean Group Wins The Most Number Of Accolades At Asia Property Awards 2018

Blue Ocean Group, one of Sri Lanka's leading real estate developers received multiple awards at the inaugural PropertyGuru Asia Property Awards.

Blue Ocean Group was nominated for a total of eight awards, this inclusive of multiple nominations for the special recognition in Corporate Social Responsibility (CSR), Best Condo Architecture Design, Best Affordable Condo Development, and Best Condo Interior Design.

In 2017, Sri Lanka took part in the esteemed PropertyGuru Asia Property Awards series which was held in Singapore for the first time. There, the Blue Ocean Group was bestowed with the coveted award as Sri Lanka's Best Developer. Blue

Ocean Group also received multiple awards for Best Interior Design and Condo Architecture Design as well as for Sustainable Development. Improving on last year's success, the Group went onto win multiple nominations and awards this year at the inauguration of PropertyGuru Asia Property Awards.

Speaking on the achievement, S Thumilan, Chairman, Blue Ocean said, "At the core of our business is our philosophy that revolves around innovating through our own style of quality construction. Excellence is a key word in our approach to the business and this is the reason for all the success we have achieved within such a short span of time since our company's inception. It gives us great pleasure to be recognised with multiple nominations at Asia Property Awards. This goes on to affirm our unfathomable commitment to achieve excellence".

"At The Core Of Our Business Is Our Philosophy That Revolves Around Innovating Through Our Own Style Of Quality Construction."

PropertyGuru, Asia's foremost online property company, initiated the Asia Property Awards series 13 years back and the award show has earned an unparalleled reputation for its true credibility and transparency, as all the entries are judged through a rigorous and fair process by an independent panel of industry experts.

Blue Ocean is currently engaged in over 35 projects in ten cities, targeting more than 1250 apartments at one stretch; this is regarded to be a record for a private company in Sri Lanka's real estate sector. The group has completed seven projects worth four billion rupees during the first half of 2018 and projects amounting to 55 billion rupees will be completed soon. Blue Ocean's vision to achieve excellence in all their endeavors is carried out by the Group's construction arm, Link Engineering, backed by the other companies of the group - Link Ready-mix, Link Aluminum, Contessa, Link Heavy Machineries. Blue Ocean Group claims that the root of their success is in their ability to provide professional and client-oriented services on time.
