

BOC Digi To Bring Convenience Of Banking To Orion City IT Park

Senarath Bandara, General Manager/CEO, Bank of Ceylon at the opening.

Bank of Ceylon's self-banking center 'BOC Digi' opened its third branch at Orion City. This one-stop-hub for innovation and collaboration is occupied by thousands including IT professionals, entrepreneurs and investors of high-tech companies.

Senarath Bandara, General Manager/CEO, Bank of Ceylon, C Amarasinghe, Deputy General Manager Sales and Channel Management and members of the Executive Management, other Bank officials and customers attended the event.

"Having expanded the one of a kind state-of-the-art self-banking center to the country's Tech City shows the compatibility of the Bank's digital strength to collaborate with segments, considering those who demand sophisticated high-technology to add convenience and confidence to their lives," stated Senarath Bandara. 'BOC Digi' empowers customers to conduct account opening, cheque depositing, obtaining information, self serving through Kiosk - to apply for SmartGen accounts, Smart FD - Fixed Deposits, personal loans, home loans and utility bill payment through kiosk at any time of the day throughout the year," he added.

This facility aims to serve the next generation of customers whose needs are sophisticated and convenience driven.

BOC provides fully equipped self-banking centers that assist a customer's need

for physical cash requirements or in the absence of secured access for internet. The bank's secured digital platform assists custom-ers to carry-on banking at any-time from anywhere at the comfort of the customer's own schedule.
