

Chamber Awarded ISO Classification

The Ceylon Chamber of Commerce, Sri Lanka's premier business forum has been awarded the BS EN ISO 9002 classification by the Board of Governors of Premier Assesments Ltd of the UK.

Premier Assesments is fully accredited by the UK government through it's designated agency to assess and award certification under BS EN ISO 9001/2. This confirms the validity of the certificate not only in the UK (BS), but also throughtout the European Union (EN) and the rest of the world (ISO).
