ComBank Named Most Innovative Commercial Bank In Sri Lanka

Commercial Bank of Ceylon has been adjudged the ‘Most Innovative Commercial Bank in Sri Lanka’ in 2019 by Business Tabloid, a business magazine in London. The magazine, by conferring this award on Commercial Bank at the Business Tabloid Banking Awards, has recognized the Bank as a player at international level, purely on the merits and expertise it has demonstrated in the industry. Commenting on the recognition, Sanath Manatunge COO, Commercial Bank stated, “With technology revolutionizing the way products and services are accessed and used, innovation is no longer an option, but something that the new generation customer expects.”

He also said, “Banks in particular have to make innovation a part of their corporate culture, and awards of this nature recognize how successful Commercial Bank is in providing innovative solutions to the needs of its customers.
