

Delmege Launches Innovative Interior Product Solutions From Interface And Haworth

Posted on

The interior solutions arm of the Lifestyle Cluster of Delmege has launched a host of innovative products from Interface and Haworth for office interiors. Delmege was named the exclusive agent for Haworth and Interface in Sri Lanka at a recent event, where the introduction of a range of flooring solutions by Interface, and a selection of office furniture by Haworth was also launched.

Interface is known globally for its range of Skinny Planks or carpet tiles, a state-of-the-art flooring solution that enables ease of application as well as maintenance. The design ethos of interface aims to create spaces that blend with nature and thereby propel people who work in spaces to be creative. Six of Interface's newest collections introduced at the launch include Bike Path, Harmonize and Ground Waves, Off Line, Aerial and Reclaim.

Haworth introduced its newest designs, which included the Infinity collection, a range of ergonomically-designed workspaces, tables and chairs. Adopting a flexible and sustainable approach to office infrastructure, furniture designs from Haworth are produced using state-of-the-art technology to enhance comfort, while aiding in maximising efficiency in the working environment.
