

Delta Express from Delta Airlines

Delta Airlines announced the formation of Delta Express, its new low-fare service which will begin a daily non-stop service from ten midwest and northeast cities to Orlando and four other Florida cities beginning October 1st 1996.

Delta Express will operate a dedicated fleet of twenty five Boeing 737-200 Aircraft on these routes. Travellers will enjoy assigned seat selections, inflight amenities and the benefits of Delta's Skymiles Frequent Flyer Program.
