DFCC Bank has partnered with SriLankan Airlines to launch the SriLankan Airlines DFCC Visa Platinum Credit Card, a premium co-branded credit card developed for customers with increasingly global lifestyles. Introduced in collaboration with Standard Chartered Bank, the card allows users to earn FlySmiLes Miles on both local and international spending while enjoying a range of exclusive travel privileges, including priority check-in, airport lounge access, additional baggage allowance, companion travel benefits, year-round lifestyle offers, and 3,000 bonus FlySmiLes Miles upon enrolment.

Thimal Perera, Director/CEO, DFCC Bank, said changing lifestyles are reshaping the future of banking. He noted that customers today expect banking solutions to integrate seamlessly into their lives, whether they travel for business, education, family, or leisure. The partnership, he said, reflects DFCC Bank’s commitment to designing customer-centric financial solutions that evolve alongside changing aspirations, rewarding customers for the way they already live and travel. Dimuthu Tennakoon, Head of Commercial, SriLankan Airlines, said the collaboration extends the value of the FlySmiLes loyalty program beyond air travel. He explained that members can now earn FlySmiLes Miles through everyday spending while enjoying benefits that enhance their travel experience, creating more opportunities to turn daily transactions into rewarding journeys. The partnership reflects the evolution of banking, combining financial services with travel experiences. Designed for globally connected customers, the SriLankan Airlines DFCC Visa Platinum Credit Card turns everyday spending into rewarding travel benefits and greater convenience.
