

DFCC Bank Awarded Market Leader and Best Service for Cash Management

Posted on

DFCC Bank yet again reaffirms its commitment to customer centricity and digital innovation, having been voted as the Market Leader in Cash Management in Sri Lanka for the second year running by Euromoney for 2022 and clinching first place for Best Service this year.

Thimal Perera, CEO at DFCC Bank, said, "It is a great honor to be recognized as the Market Leader for Cash Management in Sri Lanka for the second consecutive year along with the Best Service award. It is atestament to our commitment to customer-centricity and the overall success of our iConnect solution. As this survey obtains feedback directly from customers, our receipt of these awards and accolades genuinely reflects the customer satisfaction we are providing and the value we are creating. Thus, while graciously acknowledging being recognized for the second consecutive year by the Euromoney Cash Management Survey, we also take this opportunity to extend our heartfelt gratitude to our customers, who have placed their trust in us. As your preferred banking partner, we will continue to do our best to deliver everything you expect and more."

The iConnect electronic banking platform, which delivers cutting-edge Cash Management solutions, is a state-of-the-art Liquidity, Payments, and Cash Management system that enables customers to perform their daily transactional banking needs with a click of a button. This innovative solution allows the clients' Finance and Treasury units to access the company accounts maintained with DFCC Bank, both locally and globally. It also offers enhanced security features that enable real-time viewing of account balances, making local and cross-border payments and collection solutions available anywhere, 24/7, 365 days a year.

DFCC Bank was ranked amongst Business Today's Top 40 Corporates in Sri Lanka.
