DFCC Bank has proved its mettle internationally by clinching the gold award for Best Social Media Content on YouTube at the ACEF Asia Leaders Awards 2023. This marks the third consecutive year that DFCC Bank has received awards for digital marketing at the ACEF Asia Leaders Awards.

In a digital world flooded with content, DFCC Bank stood out by seamlessly merging cultural values with business acumen in its 2022 Avurudu campaign. The winning entry, titled “DFCC Bank Avurudu Hallmark YouTube Video 2022”, has left an indelible mark on the hearts of viewers and judges alike.

Nilmini Gunaratne, Vice President - Head of Marketing and Sustainability at DFCC Bank, expressed her pleasure: “This Gold Award underscores our dedication to excellence in marketing and our unwavering commitment to improving Sri Lanka’s business ecosystem. We are proud of our team’s efforts in crafting a campaign that promotes our brand and contributes to preserving and promoting Sri Lanka’s cultural heritage and its vital MSME sector. This award also reflects the effectiveness of our marketing mix and strategy, which now

incorporates digital marketing as an integral part of connecting with our target groups, driving engagement and brand awareness through their preferred digital platforms.”

The uniqueness of this campaign lies in its ability to harmoniously blend cultural and business values. The video not only celebrated the rich traditions of the Sinhala and Tamil New Year but also underscored the vital role of MSMEs in Sri Lanka’s economy. This creative approach resonated with the audience and strategically enhanced Top of Mind (TOM) awareness about the DFCC Bank brand amongst the target group and the public.

“Sinhala and Tamil New Year is the largest and most widely celebrated cultural festival in Sri Lanka and is centered around culture, tradition, and family values,” explained Nilmini, “So, for Avurudu 2022, we wanted to do something different. At the time, the country was recovering from the economic hit caused by the pandemic, which had a massive impact on the MSME sector and consumers. As a bank committed to supporting MSMEs and individuals, we crafted this video to showcase the Avurudu cultural values while strategically incorporating our values as a bank, using an innovative approach.”

A defining feature of the campaign was DFCC Bank’s innovative advertising strategy. Recognizing the nature of various social platforms, the Bank experimented with a unique approach for advertising on Meta Platforms, which includes Facebook and Instagram. This approach was well-received, effectively driving these platforms’ audiences to the main video on YouTube.

DFCC Bank is ranked among Business Today’s Top 40 Corporations in Sri Lanka.
