DFCC Bank is delighted to announce this partnership for the third consecutive year, helping to ensure that the accounting profession remains current and relevant to contemporary business needs.

The CIMA Corporate Partnership Program is a business network of partnerships between CIMA and corporate leaders with a passion for excellence and a desire to create globally-competitive, transformational leaders and integrated thinkers. Through this program, DFCC Bank will engage with and recruit CIMA talent, mentor future leaders, and network with like-minded executives to support innovation in the accounting profession while sharing knowledge and insights for the future through active dialogue.

“This partnership aligns perfectly with the Bank’s objectives of inspiring a passion for excellence and contributing towards the development of world-class transformational leaders who can compete at the global level. Thus, we are pleased to enter into this partnership with CIMA Sri Lanka for the third consecutive year. We believe that it will create value for us, and others in the corporate space, identifying and acquiring high-quality talent, creating robust networking opportunities, and promoting learning and development. Thus, working together with CIMA and the other Corporate Partners, we are collaboratively working towards proactively engineering a successful and sustainable economic landscape, locally and globally,” stated Sonali Jayasinghe, Senior Vice President-Human Resources, DFCC Bank.
