DFCC Bank inaugurated its first Super Grade branch in Fort at the Lake House premises in the presence of Royle Jansz, Chairman, DFCC Bank, and Krishantha Cooray, Chairman, Lake House, Lakshman Silva, CEO, DFCC Bank, the Board of Directors of DFCC Bank, senior management and employees of Lake House, and a large number of clients and well-wishers.

The Bank's Super Grade Branch offers a new experience with DFCC MySpace, a Self-Banking area, which includes DFCC Bank inaugurates first Digitalised 'Super Grade' Branch an ATM, Cash Deposit Machines and a Utility Bill Payment Machine.

Customers can conduct their transactions with ease and convenience in a fast and secure manner without having to wait in queues. DFCC MySpace Self-Banking allows cash deposits, fund transfers, mini statements, balance inquiries, withdrawals and also facilitates utility bill payments for over 60 billers.

Furthermore, DFCC Bank offers a variety of retail banking products and services such as current and savings accounts, fixed deposits, loans, pawning services, leasing facilities, credit cards, trade services and remittances. The business community in the area will also benefit from DFCC's Corporate and SME Banking.

Speaking about the inauguration, Lakshman Silva, CEO, DFCC Bank, said, "The opening of our first-ever Super Grade Branch in Fort, Lake House premises is a key milestone in our digitalization journey. The DFCC MySpace offers customers the opportunity to conduct all their usual banking transactions at a single location using multiple digital channels. Considering the location, the branch is expecting a high footfall of customers wanting to complete their banking transactions with ease amidst their busy schedules. The Bank plans to roll out the DFCC MySpace Self-Banking area throughout the branch network, to provide this new experience to all our customer segments."
