DFCC Bank Launches a Financial Solution to Make Your Ambitions a Reality

DFCC Bank understands the importance of investing early and has designed the DFCC Investment Planner to empower its customers to effortlessly build a healthy investment fund. Finding investment options with high returns can be challenging, especially when traditional savings products fall short. DFCC Investment Planner offers a structured approach, allowing its customers to save a specified monthly amount for a predetermined period conveniently. Doing so can achieve a targeted lump sum with a guaranteed rate of return, helping you meet your investment goals.

DFCC Investment Planner provides unlimited flexibility. Choose from a wide range of plans, ranging from two to 15 years for LKR deposits and up to five years for FCY

deposits. Our automated fund transfer facility ensures hassle-free and consistent contributions, eliminating the need for monthly manual payments.

Customizing your deposit amount and maturity period allows you to effortlessly plan for future investments like buying a dream home, funding education for you or your children, or ensuring a comfortable retirement. It can also help you achieve immediate goals, such as a dream holiday or the big ticket purchase you have been eyeing. With DFCC Investment Planner, you can open joint accounts, diversify your investments, and check your balance anytime through online banking.

DFCC Investment Planner stands out with its guaranteed maturity value. As a reputed commercial bank, we promise to deliver pre-planned investment returns, providing peace of mind and security. This confidence allows you to set and achieve any financial goal you desire with zero risk.

At DFCC Bank, we believe in the power of early investing. That is why we have made DFCC Investment Planner available even for minors from birth, allowing you to instill financial responsibility and build a sturdy foundation for your children’s future. The DFCC Junior Investment Planner enables minors to embark on their investment journey with their parents’ or legal guardians’ support and guidance, giving them a head start.

DFCC Bank is ranked among Business Today’s Top 40 Corporates in Sri Lanka.
