

DFCC Bank Malabe Branch Relocates

Posted on

Lakshman Silva, Chief Executive Officer, DFCC opening the new location in Malabe in the presence of Nevaan De Silva, Branch Manager, DFCC; Bhathiya Alahakoon, Senior Vice President Branch Banking/SME, DFCC; Thimal Perera Deputy Chief Executive Officer, DFCC; and Achintha Hewanayake, Chief Operating Officer.

DFCC Bank relocated their Malabe branch to a more spacious and accessible location to provide a better service experience to the people in the area. The new branch is located along Kaduwela Road, Malabe.

With the relocation of the Malabe branch, DFCC Bank has renewed its relationships with the individuals and businessmen in the area, opening its doors to aspiring entrepreneurs to benefit from the Bank's many customized SME financing facilities and advisory services. The relocated branch is equipped to serve the individuals with a range of services such as savings accounts, DFCC Credit Cards, Personal Loans, Leasing, and many more financial solutions.

Addressing the gathering at the branch relocation ceremony, Lakshman Silva, Chief Executive Officer said, "We are pleased to relocate our Malabe branch to a new location to provide added value and convenience to our esteemed clients, as well as our future customers. We are geared to provide the best financial solutions with unparalleled service and lend our expertise to all those who require much more than financial assistance."

The DFCC Bank has over 139 branches and service points. Furthermore, the Bank is

connected to the LankaPay Common ATM network, providing all DFCC account holders access to over 4,000 ATMs island-wide, and cash withdrawals and balance inquiries via connected banks. DFCC Bank has extended its services through digital channels, DFCC Virtual Wallet, and Online Banking. Customers can experience value-added services such as consolidated e-statements and DFCC SMS alerts.

DFCC has been ranked 18 for Business Today's Top 30, 2018-2019, and ranked 14 for the 2017-2018 year.
