(L-R): Sohantha Wijesingha, Senior Vice President Corporate Banking, DFCC Bank; Prins Perera, Senior Vice President – Treasury and Investment Banking, DFCC Bank; Aasiri Iddamalgoda, Senior Vice President – Head of Retail Banking and SME, DFCC Bank; Dinesh Jebamani, Vice President – Digital Strategy, DFCC Bank; and Kosol Welungoda, Senior Relationship Manager – Corporate Banking, DFCC Bank.

DFCC Bank unveiled its offsite DFCC Myspace ATM/ CDM digital self-banking facility at the Havelock City Mall. This strategic move marks the Bank's first-ever offsite ATM/CDM installation within a shopping mall, solidifying its commitment to serving the evolving banking needs of valued customers, with a focus on seamless

convenience and maximum safety. The DFCC Myspace ATM/CDM digital self-banking facility was officially unveiled amidst a distinguished gathering that included senior officials from the Bank.

Aasiri Iddamalgoda, Senior Vice President of retail Banking and SME at DFCC Bank, commented, “We are delighted to introduce our Myspace ATM/ CDM at the prestigious, chic, and trendy Havelock City Mall – the latest addition to Sri Lanka’s shopping and entertainment space, featuring the country’s first IMAX theatre to commence operations in Q 1 2024. This initiative represents DFCC Bank’s commitment to enhancing customer convenience. It is a significant step on our journey to bridge the gap between digital banking and real-world experiences, providing a seamless omnichannel customer experience. We invite our customers and all community members to explore this service and enjoy the utmost convenience in banking, 24/7.”

Retailers and outlets within the mall who are DFCC Bank customers can now efficiently deposit daily cash collections, reducing the complexities of cash handling while increasing security. Furthermore, the ATM/CDM facility is accessible to many cardholders, ensuring that all locally issued card schemes and foreign-issued VISA and JCB debit and credit cards can be used for transactions. As is standard for DFCC Bank ATMs, the facility provides various value-added services, including full access to DFCC Bank accounts, mobile reloads, and utility bill payments.

Dinesh Jebamani, Vice President of digital Strategy at DFCC Bank, added, “The offsite ATM/CDM at Havelock City Mall reflects our dedication to providing innovative, digitally-driven banking solutions. It offers a seamless and secure experience for our customers, allowing them to meet their urgent cash needs while enjoying the mall’s attractions without the concern of carrying excess cash, seamlessly bridging digital and real-world experiences. We are pleased to bring this seamless convenience to our valued customers.”

DFCC Bank is ranked among Business Today’s Top 40 Corporates in Sri Lanka.
