

DFCC Bank Recognized By Euromoney

DFCC Bank was awarded the number one ranking for the 'Best Service' by the acclaimed 2020 Euromoney Cash Management Non-Financial Institutions survey. The award comes as a triumph to DFCC Bank, who participated in the Euromoney Cash Management Survey for the very first time this year. Being rated as the bank offering the best cash management service by our loyal customers is a great accolade for the DFCC Cash Management business, said the Bank. DFCC has also been ranked second position in the Market Leader Ranking category under the Euromoney Cash Management Survey 2020, making the award of significant value to the Bank. Considering that the Bank has been in the Cash Management industry for only a short period of three years, the award by a leading global publication comes as a testament to the quality of service and utmost care that the Bank offers through its cash management proposition, DFCC iConnect. DFCC continues to serve corporate customers, small and medium scale businesses and individuals with the best service in the industry. "We at DFCC Bank are overjoyed and truly humbled by the recognition given to us by the Euromoney Cash Management Survey. It is a great achievement to the Bank, especially considering the fact that we have been in the Cash Management Industry for a mere three years. This achievement would not have been possible without the Bank's loyal customers and the support rendered by them during these tumultuous times. As valuable as this award is to the Bank, it also reminds us to keep upholding our quality of service and truly give back to our treasured customers. DFCC will continue to provide an unparalleled service that exceeds customer expectations and looks forward to celebrating more milestones such as this in the future," said Lakshman Silva, CEO, DFCC Bank. DFCC Bank was also ranked amongst Business Today's Top 30 Corporates in Sri Lanka.
