

DFCC Bank Recognized for Strategic Excellence and Growth

DFCC receiving the Best Performance on Profitability award.

DFCC Bank was honored with dual accolades at the second ICC Emerging Asia Banking Conclave and Awards 2024, hosted by the Indian Chamber of Commerce. This event, which recognizes excellence in the banking sector across the region, witnessed DFCC Bank receiving the “Best Performance of Growth” and “Best Performance of Profitability” Awards, marking a significant milestone in the bank’s journey towards industry leadership.

The dual recognitions are a credit to DFCC Bank’s robust financial strategy, operational excellence, and unwavering commitment to delivering exceptional value to its stakeholders. In a highly competitive and challenging economic environment, simultaneously achieving significant growth and profitability is an important undertaking. These awards thus highlight the bank’s ability to thrive amidst adversity, demonstrating its resilience and the strategic acumen of its

leadership team.

Thimal Perera, CEO of DFCC Bank, said, “We are deeply honored to receive these esteemed awards, reflecting our strategic focus on sustainable growth and profitability. This recognition is a true reward for and further encouragement of our team’s hard work and dedication, who continue to drive our success even in the face of challenging market conditions. It also reaffirms our commitment to our customers and stakeholders as we strive to deliver superior value and innovative solutions.”

DFCC Bank is ranked among Business Today’s Top 40 Corporates in Sri Lanka.
