

DFCC Bank Rewards Employees For Excellence

DFCC Bank held its 'Rewarding Excellence' Quarterly Human Resource (HR) Awards. The event was attended by Members of the Board, senior management, awardees and staff members. The final award ceremony for 2017 was held to recognise and reward staff members who performed exceptionally well in the third quarter of the financial year. The Rewarding Excellence scheme was introduced to encourage and appreciate employees who go the distance and perform above and beyond the call of duty. DFCC has earned a strong reputation for the quality of its people, having moulded some of the best banking professionals in the country. The Bank values not only their professional achievements but also outstanding effort in other areas of corporate life.

"I'm delighted to recognise our team members who have performed exceptionally well this year," said Lakshman Silva, CEO, DFCC Bank. "These awards are a recognition of both their professional achievements, contributions to the company and also a reflection of the standards of excellence we strive for each day at

DFCC. We are committed to being at the very forefront of the finance sector and 'Rewarding Excellence' is just one way that we continue to encourage our staff members to keep growing while providing the best possible service to our valued customers."

The Panel's Choice Excellence Award was bestowed on Dulanji Gamage in recognition of a bravery act. 'Living the Core Values' award was given to the Ratnapura Branch in recognition of the loyalty and commitment demonstrated during the floods that affected the country in June. The Ratnapura Branch was under threat of flooding and the team volunteered to move the Bank's physical assets to a safer ground.
