Dialog Enterprise, has partnered with 'The Grand' Ward Place, the ultra-luxurious residential project by Prime Group.

The ultra-fast broadband network features premier Gigabit connectivity to provide a multisensory experience for all residents and visitors.

'The Grand' Ward Place is Prime Group's flagship architectural marvel in Colombo's most sought-after address, The Ward Place. At the height of over 158m, it is the tallest and only high-rise in the area; a prominent highlight of The Grand is its 71-meter infinity pool situated at the height of over 130m on the 32nd floor and is the longest elevated infinity pool in Sri Lanka to date.

"In today's world, a prestigious address is your wealth. Meticulously created interiors, unparalleled architecture, and the utmost privacy and comfort make for a highly sought-after, bespoke living experience. However, this must be supported by the latest technology to truly create the ultimate standard in luxury living. Therefore, we are elated to partner with Dialog Enterprise, which has always been at the forefront of technological revolution, to offer our residents an enhanced connectivity experience," stated Premalal Brahmanage, Group Chairman, Prime Group.

Navin Pieris, Group Chief Officer – Dialog Enterprise, Dialog Axiata stated, "In addition to aesthetic appeal, any high-end residential location should also be powered by the latest in technology and other ancillary services in order to be the best in class truly. To that end, we'd like to thank Prime Group for the opportunity to bring the luxury of ultra-fast Dialog Fibre connectivity to 'The Grand' Ward Place. Residents at 'The Grand' can rest easy knowing that in terms of ICT, Dialog Fibre will continue to set the benchmark in offering clients the fastest and the best".
