DIMO Redefined As One Of The Best Places To Work In Asia

Dilrukshi Kurukulasuriya, Chief Human Resources Officer, DIMO and Gahanath Panditthage, Group CEO, DIMO accepting the Award for 25 Best Workplaces in Sri Lanka 2019 from Dinesh Weerakkody, Chairman, International Chamber of Commerce, Sri Lanka.

HR Team with DIMO Management at the award ceremony.

Diesel & Motor Engineering (DIMO) ranked among the top 25 companies of Great Place To Work (GPTW) in Sri Lanka, for the seventh consecutive time, winning a total of five awards.

DIMO benefits the people of Sri Lanka, as the basic solution provider in the fields of engi□neering, consumer goods, edu□cation, agriculture and indus□trial solutions. DIMO grows along with the people, business and community encapsulating the GPTW theme for the year celebrating ‘A Great Place to Work for All’. The company was also rewarded with a special recognition for the outper□formance beyond limits as one of the Best Workplaces in Asia for the year 2019 in the catego□ry of Large Workplaces in Asia. DIMO was also bestowed the titles of Best Public Limited Corporation 2019, Best in Extra Large Sized Enterprise Catego□ry – Gold Award and Excellence in People Initiative – Corporate Social Responsibility.

Using the principles of the ‘Employee First Concept’, DIMO stands out as an employee□friendly platform, redefining the workplace as home. With above 1700

employees across the na□tion, DIMO creates a culture of its own, idealizing the capa□bilities of the ‘best’ with a new definition of employment from recruitments, employee en□gagement to building capacity.

DIMO harbors an assembly of diverse individuals playing their roles in a high performance culture supported through the rewarding schemes introduced to enhance the employee per□formance to meet the business targets. The strategic perfor□mance based pay, attractive monetary incentives along with career advancement and devel□opment opportunities boost the capacity of the company to grow above and beyond
