DSL Pays Tribute To Dealers Selling Mahle Pistons

The team of Ronet Marketing ensures in offering excellent service.

Being the sole distributor for Mahle pistons in Sri Lanka, Ronet Marketing, a subsidiary of Douglas & Sons conducted the ‘Mahle dealer appreciation 2019’.

The two-day program included an experience of elephant safari tour at the Udawalawe national park and more many entertaining activities.

Mahle is the well-known piston brand for two wheels after market-industry in the island and it is recognized for its quality aspects by all two-wheel motorists.

Mahle piston production started in 1920 by Herman & Earnest Mahle in German and production plants expanded to India in 1958.

Further expansion was considered in 34 countries through 170 factories with 77,000 employees.

There are 16 product develop□ment centers through 6,000 engineers for Mahle product development among all the vehicle categories in the world for two-wheelers.

Douglas & Sons are functioning as the sole distributor for MAHLE PISTON in Sri

Lanka since 2014.
