

eChannelling partnered with Medicare 2025

Posted on

Dr. Mothilal De Silva, Group Chairman, SLT-MOBITEL exchanging the sponsorship with Dr. Amal Harsha de Silva, Chairperson, Medicare 2025 and Organizing Committee President, Asia Wellness Forum.

eChannelling served as the Official Digital Healthcare Partner as well as the Bronze Sponsor for the Medicare 2025 International Healthcare Exhibition, Sri Lanka's leading healthcare event.

eChannelling, with a commitment to healthcare innovation, has a long-standing partnership with the exhibition and is recognized as the nation's largest doctor appointment platform.

It connects patients to a wide network of healthcare providers, offers comprehensive eHospital services, and enhances patient care through integrated management systems and digital health records, showcasing its dedication to transforming Sri Lanka's healthcare ecosystem.
