EChannelling Partners With Joseph Fraser Memorial Hospital

(L–R): Madura Hewage, Manager, eChannelling; Suneth Haputhanthri, General Manager, eChannelling; Nalin Perera, Director, eChannelling; Dr K T Iraivan, Director/CEO, Hospital Management, Melsta and Melsta Health; Dr Vasanthi Vamadevan Jeyariran, Medical Superintendent, Joseph Fraser Memorial Hospital; and Arnold De Souza, Assistant Manager, Operations, Joseph Fraser Memorial Hospital.

eChannelling, Sri Lanka’s doctor channelling network entered into a partnership with the Joseph Fraser Memorial Hospital, a part of Melsta Health portfolio of hospitals. The formal agreement was signed by Nalin Perera, the Director of eChannelling and CEO, Mobitel and Dr K Thiyagarajah Iraivan, Director/CEO, Melsta Health (member of the diversified group, Melstacorp) in the presence of the medical staff and well-wishers. The partnership enables patients to channel their doctors at the Joseph Fraser Memorial Hospital by making appointments via eChannelling app. Patients can simply dial 225 from any mobile network and 1225 from an SLT phone. Fur□ther, appointments can also be made by visiting the eChannel□ling website at echannelling. com.

The Joseph Fraser Memorial Hospital offers comprehensive care for women and children. It is currently a well-equipped hospital with latest operating theatres, including a High Dependency Unit, private labor suites, 4D scan, Laboratory, Pediatric Neonatal Unit, X-Ray and many facilities.

eChannelling has a network of 250+ recognized hospitals, more than 5,500 doctors, over 2,000 outlets and coverage on any mobile network. A list of consultants and visiting hours at the hospital is available on the eChannelling website/app online platform.
