

Ford Opens World-Class Dealer Facility

Ford Motor Company together with its Sri Lankan brand agent, Future Automobiles celebrated the grand opening of its new world-class 3S (showroom, service and spare parts) facility in Sri Lanka. The establishment of the new facility is aimed at strengthening the global automaker's presence in the country. The facility includes a 6,000 square foot showroom and a service centre with the capacity of servicing 14 vehicles to cater to diverse customer needs. The growing number of Ford customers in the country will be able to experience superior service standards through the new 3S facility.
