

HNB Finance Enables Utility And Other Bill Payments Via mCash

Posted on

Mobitel, joined hands with HNB Finance to enable the finance company's customers to benefit from its mCash Biller sharing solution.

As a result of this strategic partnership, HNB Finance will facilitate customers to make Mobile Reload, DATA Reload, utility bill payments, and insurance payments through HNB Finance Field Staff or branches, using the mCash billing platform. HNB Finance will allow customers to make payments on the go and at the place and time of their choice. HNB Finance is licensed as a registered Finance Company by the Monetary Board of the Central Bank of Sri Lanka

mCash is a Mobile Wallet by Mobitel and approved by the Central Bank of Sri Lanka to conveniently, instantly and securely enable financial transactions by using mobile devices. mCash B2B Solutions are available in over 20,000 locations island-wide including banking and financial institutes, supermarkets and Mobitel retailers.
