HNB announced a partnership with Harbour Village to redefine homeownership at Colombo's first and largest harbourfront mixed development project, Marina Square, Uptown Colombo.

Strategically located near the Port City and a short 400-meter distance from the Port Access Elevated Highway, Marina Square promises a new era of urban luxury

living in Colombo. Developed in collaboration with Access Engineering and China Harbour Engineering Company, this development, offering breathtaking views of the Colombo Skyline, Indian Ocean, and Colombo Harbour, encompasses 1,088 condominium units spread across five towers, all soaring to 36 floors in height.

“At HNB, it’s more than just about banking; it’s about making the dreams of our loyal customer base come true. This partnership reflects our enduring commitment to our customers. This isn’t just about luxury urban living; it’s a savvy investment, and we are delighted to be collaborating with Harbour Village to make these options accessible to our customers,” Kanchana Karunagama, Assistant General Manager – Personal Financial Services (PFS), HNB said.

HNB’s commitment to delivering exceptional value to its customers is at the heart of this partnership. Through this collaboration, homebuyers will enjoy the convenience of flexible repayment options designed to align with their budgets. HNB’s dedicated staff will offer doorstep mortgage advisory services, guiding customers through the process and assisting with crucial legal documentation.

Marina Square has always been dedicated to offering homeowners the urban luxury lifestyle they aspire to, with our curated spaces and range of amenities that have been thoughtfully designed to suit the requirements of every modern homeowner. It is the perfect place in Colombo to witness the city’s transformation while experiencing the comforts of convenience and urban luxury at the city’s heart. Our collaboration with HNB opens new doors for those seeking the perfect blend of upscale living and investment potential. Together, we hope to make the urban lifestyle dream a reality,” Kosala Wickramasinghe, Director of Harbour Village, said.
