Holiday Banking At Majestic City From Commercial Bank

The Commercial Bank of Ceylon opened their seventh Holiday Banking Centre located at the Majestic City mall complex in Colombo 4.

Located on the third floor of the complex the Centre offers services from 10.00 am to 7.30 pm on most days of the year, including public, bank and mercantile holidays.

In addition to the routine facilities available at the Bank’s outlets the Holiday Banking Centre provides services such as unlimited withdrawals and deposits, issue of pay orders, issue of local drafts, issue and encashment of traveller’s cheques and foreign currency notes, collection of inward remittances (e-Exchange and Moneygram) and opening of current accounts.

The Centre is linked to Commercial Bank’s 175 other branches and supermarket banking counters, offering customers the full benefits of seamless integration that is one of the key strengths of the Bank while patrons of the new Centre can now enjoy the benefit of extensive parking facilities at the Majestic City complex.
