

IHB Celebrates One Year Anniversary And Annual Graduation Ceremony

Institute of Hair and Beauticians (IHB) was established in 2011 and operates as an independent professional body with the aim of streamlining the standard of education in hairdressing and beauty therapy in the country. IHB offers opportunities to candidates to study and sit examinations in their preferred language of either English, Sinhala or Tamil, through available study material and textbooks. These beauty therapy examinations are recognised both locally and internationally.

The OMC Bronze diploma gives the student an opportunity to widen his creative abilities with the modern facilities available, in combining creativity with nature,

art and imagination. The OMC Silver Diploma offers a student complete awareness of technical work of both gents' and ladies' hair fashion creations. The OMC Gold Diploma will teach the student how to present the complete package namely, hair, make up, clothes and photography. The completion of all three diplomas will entitle students to earn an OMC Platinum Diploma.
