Pan Asia Bank partners with Juniper Real Estate to enable its customers to avail of exciting investment opportunities in the ‘Rock City’ – Kurunegala.

The partnership provides prospective homeowners and real estate investors with access to Juniper’s real estate offerings through Pan Asia Bank.

Naleen Edirisinghe, Director and Chief Executive Officer of Pan Asia Bank said, “We are pleased to join hands with Juniper Real Estate to offer an opportunity to prospective investors to make a safe and profitable investment in property in Kurunegala, which is poised for quantum growth and will see property prices climb fast. Juniper is a trusted partner, and coupled with Pan Asia Bank’s credentials as a bank that upholds Sri Lankan values and traditions, we are proud to invite potential

customers to own property in this heritage city through exclusive financial plans.”

Yatila Wijemanne, Chairman of Juniper, added, “For the first time in Sri Lanka, the ground-breaking partnership between Pan Asia Bank and Juniper Real Estate will provide a platform and empower individuals to purchase and invest in real estate developments undertaken by Juniper, especially in Kurunegala known as the ‘Rock City’. Juniper research and intelligence over the years have forecasted that Kurunegala will witness the highest land appreciation and is no longer the second best; it is proven as the best.”
