

Jcilo Logistics – New Beginning

The JCiLO Logistics is expanding its operations in Sri Lanka to serve as a fully fledged logistics solution provider. Initiated by Jayantha Liyanagamage, Managing Director, CEO, JCiLO Logistics, the corporate mission of JCiLO is to provide the best

logistics service to both Sri Lankan and international clients with the most attractive rates.

JCiLO is an alliance of multiple freight forwarding companies, logistics specialists and affiliated businesses established throughout the globe. JCiLO filters the members who specialise in handling a variety of commodities from electronics, electrical, medical equipment, food products to manufactured goods, clothing and accessories.

Jayantha Liyanagamage, Managing Director, CEO, JCiLO Logistics commenting on the opening, stated ,"In a fast-paced and demanding global trade environment, the movement of cargo by air, sea, rail and road requires manufacturers, suppliers, traders and buyers to depend heavily on our members to provide seamless logistics and to supply chain solutions in meeting the highest standards expected by their clients." He further stated, "our vision is to become the most trusted and aggressive logistics service provider in Sri Lanka. We will strive together with JCiLO affiliated offices located in over 100 countries; some of these counties being, China, India, Malaysia, Dubai, Maldives, Oman and Singapore, to deliver the best service-oriented logistics brand."

> **"We Remain Committed To Being The Best Service Oriented Logistics Brand With Our Young And Energetic Team Together With JCiLO Offices In China, India, Malaysia, Dubai, Maldives, Oman And Singapore."**

Jayantha Liyanagamage, a specialist in the Logistics Sector is also the President/Chief Executive Officer of GAIN for the past 18 years. GAIN being the Global Logistics Alliance of International Independent Freight Forwarders was formed in the year 1999. He held the position as the Director of UCL Logistics, which is a subsidiary of the well-known Expolanka Group of Companies. In the Sri Lankan logistics industry Jayantha also serves as the Sectorial Head in Logistics at National Chamber of Exporters (NCE) and through these initiatives, Liyanagamage has enabled Sri Lanka to gain global recognition in the field of Transportation and Logistics, particularly related to freight forwarding, utilizing his knowledge and expertise in this field.

While consistently being at the forefront of the logistics network industry, Jayantha Liyanagamage serves as the first and only Sri Lankan who administers two Global Logistics Associations.
