

Kamsins Unveils Their Latest Designer Wear Collection For 2014

Kamsins unveiled their latest collection where elegance, beauty and flair presented a whole new world of fashion choices for the discerning shopper.

Be it men, women or kids, Kamsins has a wide range of designs to bring out the best in everyone adding glitz and vibrance to bring out the individuality of each person. Giving unprecedented options to choose from, Kamsins has clothing to suit any occasion or festivity that will transform the outlook and bring that much needed glamour and sparkle of fashion into one's life.

Beautifully created outfits decorated with motifs inspired by indigenous authentic

designs and fashion pieces, created by and encompassing renowned brands, weave and fuse together a multitude of colourful Indian outfits and sarees that includes an enticing continental influence. This is the specialty of Kamsins where fashion and vivacity strikes a balance with sophistication and charm.

Exclusivity and superior quality are two of the core values which have contributed to the success of Kamsins. Kamsins' vision is to create beautiful pieces that are exclusive in style and design.

For those who look forward to have that perfect wedding day, Kamsins offer a whole new collection of bridal and groom wear for the upcoming bridal season. Customers will have the best options to select from the plethora of designer sarees and sensuous groom wear to make that perfect dream wedding come true. The new collection of wedding wear consists of latest silk finish fabrics with exquisitely handcrafted, finely worked and embellished motifs that are perfect for that special day in everyone's lives.

Adopting a one-stop-shop concept, Kamsins has everything from designer Indian wear for men and women which include sarees and shalwars, mens designer suits, sherwanis, kurthis and even accessories to glamorize your outfit.

Greet any occasion in style with elegant designs from Kamsins, tailor made for fashion conscious individuals who express their attitudes and sensibilities through intricately designed outfits by India's cutting-edge designers. Hence, Kamsins is on top of Colombo's list of must-visit fashion stores. Furthermore, Kamsins has much to offer their customers as they gear up in 2014 to expand their store, adding two more floors, to better cater to their growing clientele with a broad spectrum of fashion selections.
