

KPMG Family Business Forum

Posted on

KPMG held its inaugural forum focused on Governance in Family Businesses. The event was organised with the aim of bringing together family business leaders to discuss challenges such as governance, succession planning and the dynamics relevant to family businesses. A case study based presentation was made by Christophe Bernard, the KPMG Global Head of Family Business along with Thamali Rodrigo, Partner, leading the family business unit for KPMG in Sri Lanka. The event was attended by over 100 leading Family Business owners operating in Sri Lanka.
