Latest Vogue Eyewear Sunglasses Launched in Sri Lanka

Vogue has unveiled new additions to its extensive range of Vogue Eyewear sunglasses available in Sri Lanka.

Vogue Eyewear is crafted by experts and specially curated for any occasion. The latest additions to the Vogue Eyewear range include bold, chic, and elegant eyewear styles available in various classic and avant-garde frames, playful designs, and a mix of gradient lenses to compliment every woman’s wardrobe. They come in frame colors such as rose-gold, gold, silver, and black and include a wide variety of lens colors such as blue gradient, grey, brown, grey gradient, brown gradient, pink gradient, and violet gradient that match the frames perfectly.

These fresh styles from Vogue Eyewear are also the perfect choice to pamper yourself or the favorite woman in your life! Make the day more special by gifting a statement piece from this selection of fashionable sunglasses from Vogue Eyewear. The new models are available at selected Vision Care branches Island wide starting from 20,000 rupees upwards, allowing you to choose from a versatile range of trendy eyewear styles to express yourself.
