

LB Finance shines at LankaPay Technnovation Awards 2026

LB Finance wins Gold for Most Popular Digital Payment Solution at LankaPay Technnovation Awards 2026.

LB Finance delivered a strong performance at the LankaPay Technnovation Awards 2026, securing multiple accolades and reinforcing its role in Sri Lanka's evolving financial landscape. The company emerged as a dominant force within the Non-Bank Financial Institution (NBFI) sector, winning three Gold Awards and a Silver Award for Overall Excellence. The Silver Award for Overall Excellence in Digital Payments (NBFI) recognized LB Finance's strategic direction, transaction integrity, and technological stability, placing it among the country's leading financial innovators. The highlight was the Gold Award for Most Popular Digital Payment Solution, won by its flagship mobile wallet, LB CIM. Determined through public voting, this accolade reflects the widespread trust and adoption of the platform among Sri Lankans. Further recognition included the Gold Award for Best Institution for Financial Inclusivity (NBFI), underscoring the company's efforts to expand access

to modern financial services nationwide. It also secured the Gold Award for Excellence in Customer Convenience (NBFI), highlighting its commitment to user-centric innovation. Niroshan Udage, MD, noted that while LB Finance's 50-year legacy is rooted in stability, its future lies in meeting customers' digital aspirations. The continued evolution of LB CIM into a comprehensive digital lifestyle platform has been central to this success. With an 'A+' rating, LB Finance remains committed to innovation, trust, and excellence.
