mCash has partnered with Mercantile Investments. Under the terms of this partnership, Mercantile Investments customers can now enjoy the sheer convenience of making their loan repayments via mCash.

mCash works in partnership with leading corporates across various sectors in order to make its mobile payment platform available for enhanced convenience and speed in conducting financial transactions.

Mercantile Investments has been at the forefront of the country’s financial services industry for over 55 years, a trail-blazer in the financial services industry specializing in a wide range of innovative financial solutions, including vehicle financing, leasing facilities, deposits and savings, micro-finance solutions, business loans, personal loans, mortgage-backed loans as well as pledge-loan facilities.

Having entered into a partnership with mCash, the finance company’s customers can just simply dial #111# or download the mCash App and select Mercantile Investments by following the specific instructions given on the menu or visit any of the islandwide mCash retailer locations to make loan repayments instantly.

In addition to extending financial inclusion, mCash has redefined the way consumers carry out transactions with the use of a mobile phone.

mCash has experienced immense growth over the last few years with a large clientele and growing customer base that continues to expand countrywide.

Mobitel’s mCash has transformed the mobile money concept in Sri Lanka by introducing innovative features, as well as constantly creating ways in which mCash can be more inclusive and adapted to customer lifestyles.
