

Message Of Patriotism Through Mother Sri Lanka

Posted on

Sri Lanka's top corporate leaders and professionals were initiated, at a special event, as ambassadors of Mother Sri Lanka, a not for profit organisation aimed at building patriotism and positive thinking in Sri Lankans towards their country. Through their vantage point as front-runners and enduring international relationships, it is anticipated that the new members will circulate the true story of Sri Lanka overseas, whether it is to bring in new investment or negate false impressions. The occasion was attended by eminent personalities including Lalith Weeratunga, Secretary to the President and Trustee of Mother Sri Lanka, Janaki Kuruppu, Chairperson of the Mother Sri Lanka Trust, Justice C G Weeramantry and Namal Rajapaksa, Parliamentarian.
