

Mobitel Celebrates World Children

Posted on

Participants of the Children's Day celebrations in Keppetipola.

Bringing excitement and joy to the children in Keppetipola, Mobitel celebrated the World Children's Day with fun games and events such as magic shows, jet rides, and dancing and art competitions.

This initiative which is annually carried out is designed to benefit the underprivileged children of rural areas of the island.

Nalin Perera, CEO, Mobitel was present at the event as the Chief Guest and distributed over 1,000 school bags as a token of appreciation to the children who attended the celebrations along with mountain bicycles for the winners of the Art Competition.

Mobitel's tagline 'We Care. Always,' demonstrates how as a corporate entity, it cares about the future generation and is focused on enriching the lives of the island's children, so that they become talented and skill-ful leaders of tomorrow.
