

Mobitel ‘Master Unlimited Data’ With A Money Back Guarantee

‘Master Unlimited Data’ package by Mobitel provides customers unlimited mobile data to watch their favorite TV shows and movies or even gaming on their smartphones.

Offering fast and reliable speeds in 4G and 4.5G, Master Unlimited Data package enables mobile internet users to be immersed in an array of online related activities on their smartphones without being fearful that their data will be over. Mobitel is going a step further with a unique reward by offering a trial period for new customers of ‘Master Unlimited Data’ package with a 30-day money back guarantee for both Master Data only and Data + Voice packages.

Furthermore, this offer reaffirms Mobitel’s way of assuring its customers that they are not tied down to its package, but at the same time, reflects its confidence that customers will remain by choice, as it has the fastest network and widest coverage, which has been endorsed through the SpeedTest Awards by Ookla.

Customers can now obtain a connection and can opt for money back through disconnection if they are not fulfilled.

Mobitel has further increased the country’s 4.5G/4G-LTE coverage, thus strengthening its position for High-Speed Mobile Broadband in the country. The Mobitel ‘Master Unlimited Data’ package is priced at 2999 rupees + tax. As the National Mobile Service Provider, Mobitel remains committed to bringing the latest in mobile technology to Sri Lanka on par with global standards.
