

Mobitel Partners With Bank Of Ceylon

Posted on

Sri Lanka Telecom Mobitel announced a partnership with Bank of Ceylon (BoC), facilitating Mobitel bill payments and SMART Reload services at all BoC outlets

located islandwide. Mobitel will also be launching SMS banking with Bank of Ceylon under the signed agreement.

All transactions will be updated online in the Mobitel data base.

Dr Gamini Wickramasinghe, Chairman of BoC said, “BoC is proud to launch this online innovation along with Sri Lanka Telecom Mobitel and we’re also pleased to announce that this union will result in many more product offerings to consumers. We sincerely hope that this partnership will be of mutual benefit to both our organisations and our valued customers.”

Speaking at the occasion, Leisha De Silva Chandrasena, Chairperson of Sri Lanka Telecom Mobitel said, “We believe that BoC is an ideal partner for Mobitel, as it is an establishment with traits, reliability, stability and strength. It leads Sri Lanka towards reconstruction and development and Sri Lanka Telecom Mobitel is proud to integrate Mobitel’s state-of-the-art mobile technology with the network of a reputed bank like BoC.
