

Mobitel Powers YES 101 And Shakthi FM Live Broadcasts

Posted on

YES FM radio hosts.

Mobitel sponsored Yes 101 and Shakthi FM to host radio shows from overseas through Mobitel's ultra-speed roaming platform.

Priced at US\$ 10, Mobitel's 'Unlimited Data Roaming, SMS and Voice' comes with offers and privileges, allowing customers to travel abroad without facing any interruption in data, SMS or voice usage. Furthermore, customers can also obtain per week package, which is available at the price of US\$ 40. YES 101's radio show hosts broadcast their popular evening drive and Shakthi FM morning show from Singapore via Mobitel's Unlimited Roaming package.

YES 101 and Shakthi FM fans witnessed their favorite shows being relayed from Singapore in real-time due to the seamless and clear broadcast, similar to the shows that were being broadcast from the YES FM studio in Sri Lanka. Yes 101's popular radio hosts broadcasted their shows without any interruption whilst also live streaming their experience, taking requests via SMS or Whatsapp and social media.

Mobitel's Unlimited Roaming package for people traveling overseas helps remain connected to their loved ones' back home and can simultaneously access all their favorite TV and radio shows.
