Mobitel Upahara, devised to empower the state sector employees with innovative service offerings is extending its latest offer on smartphones with savings up to 40 percent off on selected Samsung and Huawei smartphones for current and retired state sector employees.

The latest 4G entry level smartphone from Samsung, the celebrated Samsung Galaxy A10s is being offered to state sector employees at 16,000 rupees as against the normal selling price of 26,490 rupees while the Huawei Y5 Lite, known for its exciting features, is being offered at 9,900 rupees as against the selling price of 14,499 rupees. For retired state sector employees, Mobitel provides an 'add to bill' payment plan for the phone on the given special prices. Mobitel is the only mobile operator to provide such exclusive price offers on smartphones for the benefit of current and retired state sector employees under the Upahara promotion as a measure of how much Mobitel values their contribution to society.
