

Nations Trust Bank Expands To Kalmunai

Nations Trust Bank declared opened its 42nd branch in Kalmunai recently further demonstrating their commitment and assurance towards providing convenience banking to its customers.

The town of Kalmunai today is reaping in leaps and bounds and promises great prosperity in the years to come. Nations Trust Bank new addition to Kalmunai enhances its extensive reach through a banking network that is inter-connected island wide to offer a wide range of products and services with greater convenience.

The new branch was declared opened in the presence of distinguished invitees. Commenting at the opening Saliya Rajakaruna, Director/ CEO, said, "We have performed creditably during the quarter and posted good growth in core revenue streams and a strong balance sheet. Having drawn up our strategic plan for the medium term, we have embarked on an ambitious growth strategy for the next three years. We are convinced that new products, new market segments, new geographies and new demographics will provide a lucrative landscape for the growth of the bank."

The new branch is based on the bank's standard design concepts offering its

customers the ultimate in international banking standards with unprecedented customer service.
