NDB was felicitated with five awards by the Global Banking and Finance Review of UK.

The awards for Best SME Bank Sri Lanka 2019 for the third consecutive year, Best Financial Services Group Sri Lanka 2019 for the second consecutive year, Best Bank for NDB awarded by Global Banking and Finance Review Project Financing Sri Lanka 2019 also for the second consecutive year, Most Innovative Digital Transformation Sri Lanka 2019 and Best Automobile Finance Bank Sri Lanka 2019 were won by NDB.

Global Banking and Finance Review Magazine honors institutions that stand out in their particular area of expertise in the finance industry.

Throughout the years NDB furthered its support to SMEs, and strengthened its strategic blueprint for SMEs, to ensure focused, precise and fruitful offerings to uplift the economy's backbone to greater heights.

Furthermore, Project Finance has always been the Bank's forte since its inception. The Project Financing Unit of NDB possesses the competence to assist its corporate clients in complex transactions and propel them towards the next phase of development in their businesses. NDB not only plays a role of financial partner in these projects, but also acts as a project partner where advice on project management and legal aspects are also made available to the promoters.

NDB's Digital Banking has increased in the recent past, with the opening of the first Phygital Branch NDB NEOS as well as the various number of CRM machines that were unveiled. In addition, the Bank's Digital Offerings include Bank2U and Mobile Banking. Similarly, NDB Leasing has also taken significant steps with the opening of three new Leasing Centers in Gampaha, Kurunegala and Negombo.
